Waycross Community Media Volunteer information

Please consider volunteering with Waycross Community Media. You can become secure in the skills that you learn in class by helping with Waycross productions and the other independent producers. Learning occurs with experience. Get as much as you can. If you are planning to create your own productions, you will want to help other independent producers and they will help you. On a Waycross production, you will be invited to run a camera and you can learn to do the audio, video graphics, technical directing and directing. All you have to do is show up, do the activity and ask.

Waycross Community Media also involves volunteers assisting the volunteer coordinator. The opportunity is for one evening a week, for three hours, helping with data entry, record keeping, planning and organizing.

A commitment to volunteer is a commitment to **Sign Up - Show Up - or Call Up** to say why you can't attend.

Please check as many as apply:

- YES, I am interested in helping out in the volunteer office.
- YES, I am willing to be called for volunteer crew positions on Waycross sponsored productions.
- YES, you can place my name on a phone list for independent producers to call when looking for crew.
