

WAYCROSS COMMUNITY MEDIA

VOLUNTEER POSITION DESCRIPTION

Title: Video Production Crew Member

Purpose of Position: To assist with the production of community and school events for cablecast

Goal of Position: To ensure the highest quality shoot possible.

Responsibilities:

1. Show up on time (or call to explain absence).
2. Assist staff and other crew members with set up and tear down of equipment.
3. Operate equipment during production as directed by staff and/or program director.
4. Maintain a cooperative, enjoyable atmosphere as a crewmember.

Helpful Background Experience:

1. Waycross Community Media production training, or prior video production experience (not required – we will train).
2. Familiarity with camera and/or video equipment.
3. Willingness to listen and learn.

Training Offered:

1. Waycross Community Media Studio Production Class.
2. On-the-job training by crew director and staff.
3. Instruction and opportunity to learn camera operation, audio, graphic equipment as well as technical directing and directing.

Benefits to the Volunteer:

1. Learn and practice a new skill.
2. Have fun in creating shows for the community.
3. Help build community by providing the opportunity for the community to view community events over the Waycross Community Media Channels on Time-Warner Cable
4. Be involved in your community.
